The Fundraising Committee for the Restoration of Belleek Chapel wish to sincerely thank the many parishioners and others who so very generously contributed to the cause to restore the roof of Belleek Chapel to a high standard. The money raised has exceeded our expectations and our goal of £30,000.

However further work to the chapel will undoubtedly require additional funding and anyone who wishes to contribute can still do so by contacting any member of the committee or the Parish office. We would also ask parishioners to reach out to their families at home or abroad who may wish to get involved in this historic project. We thank you for all your continued support.

CAPTURED IN TIME

Our local churches hold a special place in our hearts. Apart from our regular services in them, we all have very personal memories of them – Christenings, Weddings, Funerals, First Communions and Confirmations – we all have our own stories of our local church. They have stood the test of time and please God, they will continue to stand proud in the landscape of our parish for many, many years to come. Parishioner and local artist, Frances McLoughlin has captured the beauty of each of our four churches in a series of captivating paintings which are simply stunning. Frances has very kindly agreed to donate prints of her paintings to the parish which we will sell as part of our fundraising efforts. The paintings will be on display in St Malachy's Church from 17th April and will be available to purchase from 28th April. These prints will hang beautifully in your home as a constant reminder of the special memories you have of your local church. They will also make special gifts for family and friends, particularly those who are no longer in our parish. We will provide more details of how to purchase in due course but in the meantime, I want to thank Frances for her kind support of our parish fundraising activities. Thought
for the
Week

Thought for the Week:

As we reflect on Luke 19:28-40, we witness Jesus' triumphant entry into Jerusalem. The joy and praise from the crowd remind us of the importance of recognizing Christ's presence in our lives today. In a world filled with uncertainty and chaos, let

us be like the disciples who spread their cloaks on the road, symbolizing our readiness to welcome Jesus into our hearts. This week, may we offer ourselves and our gifts to God, inviting Him into the challenges we face. Let us remember that true joy comes from acknowledging and sharing His love with others. Prayer: Lord, help us to recognize Your presence in our lives and inspire us to joyfully share Your love with the world. Amen.
